Dear Horsemen and FSBOA Members:

The FSBOA proudly offers you the 2021 FSBOA Breeders and Stallion Directory. This directory can serve as a valuable reference guide for breeding, developing and racing standardbreds in Florida. Our year around favorable climate and soil content makes Florida a leading equine breeding state irrespective of breed. FSBOA sponsored Florida-sired stake racing has in the past totaled substantial sums of purse money for the Florida horsemen and horsewomen. Also, the Florida-sired program offers breeders, "Breeders Awards" paid to owners of mares at time of mating based on wins in Florida by Florida-sired horses age 2-4, as well as stallion awards. This is a good point in time to invest in Florida-breds to race in Florida and throughout North America.

This Directory profiles our 2021 registered stallions. When you breed to a Florida stallion, be mindful of the fact that your Florida-sired foal will be eligible for nomination to the Sunshine Stake, Florida Breeders Stake, Melvyn Aylor Memorial Stake and Tom Audley Memorial and in many cases, the Florida Stallion stake races. In addition, the FSBOA is always mindful of the opportunities to create new racing series for Florida-bred horses. Please note that the stallions whose foals are Stallion Stake eligible are noted by the following symbol in the upper right hand corner of the Stallion pedigree page in this directory.

On behalf of our Board of Directors, I wish to thank each of you for your continued support of the Florida breeding industry and the Florida-Sired stakes program.

For up to date news about our events and stake program, please visit our website at: www.floridaharnessracing.com.

Best wishes for a successful 2021!
